THE CORAL ROOM LAUNCHES CBD NON-ALCOHOLIC COCKTAILS

THE CORAL ROOM HAS PARTNERED WITH MEDA TO START 2020 WITH FOUR CBD-INFUSED NON-ALCOHOLIC COCKTAILS AVAILABLE THROUGHOUT JANUARY.

The Coral Room has partnered with MEDA to start 2020 with four CBD-infused non-alcoholic cocktails available throughout January.

Head mixologist Stefan Pohlod has blended the range beverages to produce mood-enhancing, non-alcoholic cocktails which feature MEDA's best-selling GLOW, CALM, RECOVER and Espresso Medatini SKU's and sees 5-15mg of liposomal CBD complemented by synergistic ingredients.

The exclusive drinks are the Glow Spritz which includes lime juice, cardamom bitter and elderflower syrup, the Calming Coral blending lemon juice, peppermint cordial and strawberry purée, the Recover & Revive mixing Seedlip grove with grapefruit and lime shrub and the Wake Up Call which sees caramel cream, chilli bitters and coffee tonic.

All four cocktails are priced at £10.

Glow Spritz

MEDA's elderflower and lime flavour GLOW, lime juice cardamom bitter and elderflower syrup

(GLOW includes 15mg micro liposomal organic Cannabidiol, Biotin for cell regeneration, Olive leaf extract for antioxidant and inflammatory effects, Aloe vera to nourish and hydrate and Vitamin C to help to repair skin tissue)

Calming Coral

MEDA's lavender and chamomile flavoured CALM, lemon juice, peppermint cordial and strawberry puree

(CALM includes 15mg micro liposomal organic Cannabidiol, Lavender essential oil to promote relaxation, L-Theanine to reduce anxiety, B vitamin blend to boost mood, Lemon Balm to reduce stress, Chamomile for a calming effect and Ashwagandha to help lower cortisol)

Recover & Revive

MEDA's orange and pineapple flavoured RECOVER, Seedlip grove, grapefruit and lime shrub

(RECOVER includes 15mg micro liposomal organic Cannabidiol, Turmeric to help reduce inflammation, Ginger for its antioxidant and anti-inflammatory properties, Piperine to increase bioavailability of curcumin and Vitamin C to act as natural antioxidant)

Wake Up Call

MEDA's Espresso Medatini mix, caramel cream, chilli bitters and coffee tonic

(Espresso Medatini mix includes 5mg liposomal organic Cannabidiol, organic espresso, a natural source of caffeine, Panax Ginseng to aid cognitive performance and for an anti-fatigue effect and Rosemary to help enhance memory and concentration)
